To,

M/s. Uniflow Copper Tubes

Chennai

Kind Attn.: Mr. Sanjeev Dugar

Subject: Uniflow Copper Tubes – Approval as recommended make to use in VRF and PAC installation.

Dear Mr. Sanjeev,

We reviewed information/documentation/test reports submitted in detail with the sample of the product. Also visited your manufacturing facility of Copper pipe.

This is to inform you, that we have approved Uniflow Copper Tubes (Refrigerant Copper Piping) as our recommended make for Copper Pipe for the use in VRF and PCA installation in addition to our existing recommended makes.

This approval is valid subject to no complaint from field about quality and on shared specification product supply only. All rights are reserved with us about approval as recommended make.

Issue/complaint should be inspected by M/s. Uniflow Copper Tubes as and when required by M/s. Panasonic India Pvt. Ltd.

Thanking you,

for **M/s. Panasonic India Pvt. Ltd.**
